WEST VIRGINIA UNIVERSITY
Enrolled as a Computer Software Engineering Major.

AUGUST 2021 – MAY 2022
WEST VIRGINIA UNIVERSITY
Enrolled as a Cyber Security Major.

SEPTEMBER 2017 - PRESENT
CEDAR CREST HIGH SCHOOL
Graduated with Honors and participated in the National Honors Society.

WORK EXPERIENCE

JANUARY 2022 – PRESENT
FULLSTACK DEVELOPER, CORE COACHING AND CONSULTING
Worked as a lone developer to create a Profiles system where clients could take profiles and have them assessed. The project is with Ruby on Rails and I was in charge of designing the project, meeting with potential and current clients, suggesting changes, getting feedback, debugging, database management, and on-call for any live hosting problems. Besides being on-call this position was part-time.

JUNE 2021 – DECEMBER 2021
FULLSTACK DEVELOPER (INTERN), CORE COACHING AND CONSULTING
Worked under another Fullstack Developer for six months. Learned Ruby, Ruby on Rails (RoR), Agile Development Process, Project Management. This internship was part-time.

PROJECTS

JULY 2022 – PRESENT

CODE SNIPPET SHARING SITE, PERSONAL

Technologies used: Ruby, Ruby on Rails, Javascript, Bootstrap, CSS
Created for: A personal project to better develop my Ruby knowledge. The site's purpose is to allow users to share code snippets with each other.
Hosted at: https://code.poppin.dev

DECEMBER 2021 – PRESENT

RESUME SITE, PERSONAL

Technologies used: React, Javascript, HTML, CSS, Bootstrap
Created for: Used to host my and my friends resumes and projects we've worked under together or separately under our fake brand What's Poppin? Inc.
Hosted at: https://www.poppin.dev

Other Smaller projects can be found on my Github: https://github.com/x13xDread
